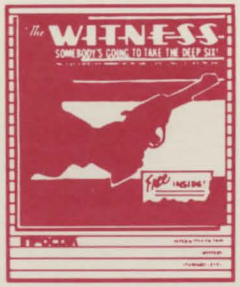
Fiendish Savings on *The Witness*®!

ONLY $14.95!



In *The Riddle of the Crown Jewels,* you use your best detecting skills to thwart a dastardly criminal in Victorian London. In *The Witness* you match wits with another devious villain, this time in 1938 Los Angeles.

Stu Galley's award-winning mystery puts you in the shoes of a hard-boiled detective in a quiet L.A. burgh. War is brewing overseas, but you've got other fish to fry: the blackmail you've been investigating has turned to murder before your very eyes. Anyone from the knockout heiress to the poker-faced butler could be the killer.

You have just 12 hours to sift through scores of clues, follow up on a dozen leads, and give a houseful of suspects the third degree. Your faithful assistant, Sgt. Duffy, who gives advice and runs errands for you, is on the scene. But you alone can persuade the court to render a verdict of guilty by establishing the motive, method, and opportunity for the crime. And if you don't keep your wits about you, your suspect might rub you out before you can bring him in . . .

To set the scene, the package includes an urgent telegram, the February 1, 1938 Santa Ana *Register,* a matchbook from the Brass Lantern restaurant, a suicide note, and a copy of the *Nat'l Detective Gazette.*

You can order *The Witness* by simply filling out the coupon on the reverse side. After March 31, 1989, call 1-800-262-6868 for availability information.
