GUNSLINGER™

Datsoft®

Dust off your jeans, grease down your six guns, here's a saddle sore adventure straight from the annals of classic Wild West history. As retired Texas Ranger, Kip Starr, your bravery and cunning is once more called into action to rescue a friend from his early grave as a result of an unfortunate meeting with a Mexican Hangman's noose. But as in all the best tales, no folk hero is created without a nailbiting shootout with the Dalton brothers, a hair raising encounter with uprising Indians, a perilious excursion across unexpected waterfalls and a weary journey that takes you across murderous wastelands, down danger filled mineshafts, through eerie ghostowns and finally brings you to rest in inhospitable Mexico. You don't need to look to the future for action packed adventure. The Wild West has seen enough thrills and spills for you never to want more.
