Zork users group

The ZORK® Users Group is an independent group licensed by Infocom, Inc., to provide support for Interlogic™ adventurers. Our purpose is to enhance your enjoyment of Infocom's worlds; however, we are a separate company not affiliated with Infocom.

InvisiClues™ For ZORK® and STARCROSS)—Each booklet contains over 175 hints and answers to more than 75 questions about Interlogic adventures, progressing from a gentle nudge in the right direction to a full answer. Clues are printed in invisible ink (developing marker included), giving you the option to develop only what you want to see. Comes with illustrations throughout, as well as sections listing all treasures, how all points are earned, and fascinating Interlogic trivia. PC Magazine said, "InvisiClues are almost as much fun as ZORK."

InvisiClues for DEADLINE™—Same general idea as the other InvisiClues booklets, but organized differently due to the unique nature of the game. Includes a section detailing all possible game endings.

Guide Maps for ZORK I, ZORK II and ZORK III—Beautifully illustrated 11" x 17" foldout maps are printed in brown and black ink on heavy parchment-tone paper. All locations and passageways are shown. Simple directions make the maps useful guides for your journeys through the Empire. However, they should be used only when absolutely necessary, for they reveal secrets which you may prefer to explore for yourself.

Blueprint for DEADLINE™—Architectural drawings of the Robner mansion and grounds. This handy reference may help you to unearth hitherto-undiscovered clues.

Guide Map for STARCROSS™—Reveals the ins and outs of the alien craft. An essential for all interplanetary voyagers.

ZORK T-Shirt Transfer Sheet*—ZORK cut-stone logo including brown door with yellow light streaming out (as seen on all ZORK game packages). Heat transfer process. Take this heat-transfer sheet to a t-shirt shop with heat transfer facilities (found in most cities) and have it transferred to a shirt of the size, color, and styling of your choice.

Poster for ZORK II—The exquisite detail of the illustrations brings Infocom's descriptions to life. Created by an Italian artist who fell in love with Zork, it covers the entire geography of the game. **WARNING**—some solutions to problems are revealed. 22" x 28". Black on white. Delivered in a heavy mailing tube.

I ♥ ZORK Bumper Sticker*—Announce it to the world! This 3" x 11" bumper sticker has white letters and red heart on black background. Suitable for cars, walls, lampposts, windows,

*Not available after July 31, 1983.
