## *The Aim of the Game*

---

FIVE astonishing screens with multi levels.

It is a dark still night, the full moon is shining eerily and the atmosphere is electric. Your heart beats quickly.

You are the JACKEL and you're metamorphosising into a werewolf. You howl at the moon and she fills you with immortal power. You know your task and you will be loyal to the ghouls of DEATH VALLEY.

Your aim is to rescue your girlfriend who fled in terror into a HOUSE OF THE UNDEAD!  
Can you save her before the demons from HELL?
