

WARRANTY CARD

Dear Customer,

Thank you for buying our Software - we sincerely hope that it will give you many hours of pleasure. To ensure that we can continue to produce the sort of games that you want, we have drawn up a series of questions for you to answer. When complete, simply drop the card in a post box - you do not need a stamp (UK only). In return you will be registered on our database so that we can let you know about new products or offers. Your help in completing this card is very much appreciated. Thank you.
