Note

Be sure to look inside your package for more special offerings from CodeWriter Corporation.

CodeWriter Enhancement Programs increase productivity.

FileWriter™ System

Information can be a wonderful thing. Having enough of it when it's needed can save time and money and give you that very nice "together" feeling. FileWriter lets you control information so you can enter it, find it and change it — just the way you'd like.

Whether it's information about bills, taxes, recipes, club membership, stamp collections, or your new home business, FileWriter puts things in order.

Simply "draw" any kind of screen you want — just like making up a paper form to hold information. Only there's no paper to slow things down.

Once you have your form, add some real computer power! Calculate automatically, hold grand totals, test for bad information — for one form or hundreds.

There's no need to "program" or know anything about computers. Most of the instructions you'll need are right on the screen for you.

Like all CodeWriter programs, your FileWriter system gives you your own program on your own disk — in minutes the first time you try. Your new program will search for information any way you'd like, update old information, make new calculations, all at computer speed.

The cost for FileWriter System is \$59.95. And you can use your Double Rebate to lower the price to only \$49.95.

MenuWriter System

This menu creation program allows you to take any program (even those not created on a CodeWriter system) and put it on a professional looking screen menu. Then you can move smoothly from one program to another with only one keystroke. It's all automatic. Simplifies and speeds your work. The cost of MenuWriter System is only \$49.95. Once again, the Double Rebate Deduction applies, bringing the cost to only \$39.95.

To Order any CodeWriter Application or Enhancement Program, fill in the attached Order Coupon and attach proof of purchase and Rebate Certificate.

The CodeWriter Warranty we guarantee you'll like.

Welcome to the CodeWriter family. We know you'll think your CodeWriter purchase is the best software investment you ever made.

In fact, we're so sure you'll be pleased that we guarantee FREE replacement of your entire CodeWriter system for a full year. We'll replace any damaged diskette FREE within that period. (Even if Fido has taken a bite out of it.) No questions asked. Simply send us the original disk (or what's left of it) and we'll send you a replacement FREE.

Free Up-Dates

We won't let your CodeWriter system grow "out-of-date." Any time we add new features to any CodeWriter system (without raising the retail price), we'll upgrade your present disk FREE. How's that for return-on-investment?

Toll-Free Customer Help Line

Got a question? Or a problem with your CodeWriter system? As a CodeWriter Owner, all you need do is call our Help-Line for friendly advice. There's a programmer always on duty. If we can't answer you on the spot, we promise we'll get back to you. We guarantee not to leave you in the lurch.

Call 1-800-621-4109
In Illinois, 1 (312) 470-0700.

Back-Up Disks for Protection

As a new owner, you're entitled to a complete back-up disk for your CodeWriter system. The cost is only \$15.00. A real bargain in protection. Apply your Double Rebate Deduction, and the cost comes down to only \$5.00. An even better bargain. To order, use the Order Coupon attached.

Your Personal I.D. Number

To register your personal I.D. # and qualify for future system up-dates, be sure to fill in the attached Order/Warranty Coupon and mail today. Your I.D. Number is your key to free customer service, too, so keep this brochure in a convenient place.

We've got two ways to cash in on your CodeWriter Rebate.

Congratulations on the purchase of your CodeWriter Program Design System.

It's a program that's like no other. It lets you create the programs you want—as many as you want, whenever you want. It's a tool that never becomes outdated and it becomes more valuable every time you use it.

Here's the first way to start getting your money's worth:

1. Collect in cash

You can decide to collect your CodeWriter Rebate in cash.

To cash in, fill out the attached coupon and Warranty Card. Enclose it with your store receipt as proof of purchase and your CodeWriter Rebate Coupon, in enclosed envelope. We'll send you a \$5.00 Rebate for your purchase of any CodeWriter program under \$100.00.

2. Double your Rebate money

Order one of the CodeWriter finished programs described inside this folder and you can double your rebate! There are programs for home, for office, for business, for fun. They're all professionally pre-designed and ready-to-run.

Decide which program you'd like to order, then deduct twice the amount of your rebate from the purchase price. For example, a \$5.00 Rebate is worth \$10.00 on the purchase of any of these programs.

To order, fill out the attached order coupon and Warranty Card. Enclose it, with your store receipt as proof of purchase and CodeWriter Rebate Coupon, in the enclosed envelope.

Note

CodeWriter Rebate Offer expires 12/31/84. Offer applies to CodeWriter programs only, purchased 1/15/84 through 12/31/84, and cannot be used with any other offer. Limit: One rebate per CodeWriter product purchased per family.
