

# THE TOTAL GAMING SOURCE

# **MORE CHALLENGE MORE ACTION MORE GAMES**

No matter what kind of adventure you crave, Data East has the home entertainment games for you. From fantasy role playing to movie recreations, to your favorite sports programs and arcade action, no company brings you more hits or more hours of fun.

Fight your way past dragons, demons, and deadly priestesses in challenging new adventures like Drakkhen and The Chamber of the Sci-Mutant Priestess. Or play with legendary sports stars in Bo Jackson Baseball and ABC's Monday Night Football. Whether you're a Nintendo fan or a computer wizard, Data East has an exciting array of games for you.

So turn the page and check out Data East's 1990 game selection. It's the hottest line-up yet!

# DRACONIAN

## DRAKKHEN

*Restore a Dying Universe to its Magical Splendor*

The fate of the world rests on your shoulders. Sent to a strange volcanic island, you must overcome its dangers, capture the precious dragon jewels, and summon the all-powerful primordial dragon. Only then can you save your dying world.

You'll be captivated for hours as the characters *you* design move in 3-D real-time to a host of alluring and unique sound effects. Don't resist the call to adventure—enter the world of DRAKKHEN today.

## CHAMBER OF THE SCI-MUTANT PRIESTESS

*Fight for your Love, your Life, and a New Order*

Psychic powers are the key to this adventure—a thrilling, intricate puzzle that will challenge and entertain you like no other game. Battle the mutant Protozorqs for the highest of stakes: the life of your lady love and the future of your planet.

The CHAMBER OF THE SCI-MUTANT PRIESTESS combines beautiful animation, an advanced yet easy-to-use icon interface, and a superbly sophisticated plot. Let the magic take over!

## BATMAN: THE MOVIE

*Live the Excitement  
of this Year's Hottest  
Movie*

Capture the thrill of the blockbuster movie in a game that delivers non-stop action! The Joker's out to take over Gotham City, and only you can put an end to his callous capers. As BATMAN, you'll meet your enemy in the most dangerous places—the chemical factory, the mansion, and in your final showdown at the dizzying heights of the bell tower.

Superior sound and graphics technology puts you in control of BATMAN'S deadly arsenal—the Batmobile, the Batwing, and the dangerous Batarang. You'll drive, run, fly, and battle your way to destroying the Joker. Relive the adventure of 1989's most exciting hit movie!

## ROBOCOP

*Part Man, Part  
Machine, All Game*

The future of law enforcement is here—and so is today's best interactive game action. You'll experience all the great moments of the blockbuster movie as you become America's true heavy metal hero. As ROBOCOP, your job is simple—wipe out crime. Armed with a heavy-duty cache of high-tech weapons, including ROBOCOP's Special Issue Auto-9, you make your way past vicious enemies to your ultimate battle with Dick Jones.

Upholding the law and protecting the innocent has never been so dangerous or challenging. With great graphics and nonstop game action, the future of game playing is ROBOCOP.

## PLATOON

*The First Casualty of War is Innocence*

Experience the full dramatic impact of this Academy Award-winning film. Lead your PLATOON through the war-torn jungles of South East Asia, picking up desperately needed food and supplies along the way. You must remain constantly alert, as deadly surprises await you in every bunker, secret tunnel, foxhole, and village. It's just a question of survival—against bold guerilla fighters, unseen snipers, elaborate booby traps, and surprise napalm air strikes. In this exciting new game challenge, victory goes to the bravest and the fastest.

## ROBOCOP 2 & NAVY SEALS

*Coming soon from Data East*

Don't miss out on two of the hottest releases of the year!

Join everyone's heavy metal hero in ROBOCOP 2, a stunning sequel adventure. Or become a member of the elite American Naval Commando Unit called NAVY SEALS.

ROBOCOP 2 and NAVY SEALS are two high-action games that will challenge you like never before!

If high stakes and nonstop action are what you crave, then be on the lookout for these exciting new games.

## NORTH AND SOUTH

### *The South Rises Again!*

Capture the excitement of the Civil War's greatest battles. Now you can relive history as you march on Atlanta or storm Savannah. Or rewrite history with a Confederate conquest. NORTH AND SOUTH gives you sophisticated military strategy with an entertaining plot. Humorous characters and situations keep the play fun and can catch even the most experienced player off guard. Multiple levels of difficulty and two modes of play make NORTH AND SOUTH a fun challenge for everyone!

## BATMAN: THE CAPED CRUSADER

### *Two Challenging Games in One!*

The Penguin is back! And he's set himself up as a respectable umbrella merchant. Or is it just a cover for his plan to take over the world with an army of robotic penguins? As BATMAN, you must locate the master computer and put an end to the demented squawkings of that overweight birdbrain.

But that's not all! No sooner have you taken care of the Penguin when the Joker pulls off his most cunning sleight of hand—he kidnaps Robin! Grab your Batarang and rev up the Batmobile—because if you don't reach Robin in a hurry, the last laugh will be on you!

## BAD DUDES

*The Forces of Good Have Never Been So Bad!*

Data East's monster arcade hit thrusts you into a modern day mission to rescue the President from a ruthless kidnapper—The Dragon Ninja. As Blade or Striker, a.k.a. the BAD DUDES, you take to the streets. But the Dragon Ninja is ready for you. He sends wave after wave of relentless ninjas and enemies to stop you. In the end—if you're bad enough—you can take on the Dragon Ninja himself. What better time for you to start dishing out the BAD DUDES' own version of criminal justice?

The action in this game is top notch. The graphics are phenomenal. Get BAD DUDES for your home computer—and get ready for a fight you'll never forget.

## SUPER HANG ON

*Turbo-charged Action is Around Every Corner*

The ultimate challenge of man and machine. Here's incredible racing action that puts you on a powerful pro motorcycle and pits you against world class courses and competitors. But in SUPER HANG ON, what's racing the most is your heart as you pour everything you've got into beating the clock. Take on the toughest challenges on the roughest courses. If you don't mind getting your leathers dirty—or maybe even playing dirty—then you've got what it takes to play SUPER HANG ON.

## VIGILANTE

*There's More than One Way to Trim a Mohawk*

Those scuzzy gutter-snipes have resurfaced. This time they're tearing up your home turf and they've kid-napped your woman. There's no telling what they'll do next. And the cops have checked out. You're the only one with the guts and the skill to save her.

As the VIGILANTE, you have to defeat the skinheads, rescue your babe, and show everyone the real meaning of justice. Use your fists, your feet, or nail 'em with your chako-sticks, because these punks only know one way to fight—dirty!

## HEAVY BARREL

*The Ultimate Weapon—Only You Can Use!*

A powerful terrorist group has seized control of a nuclear test site! It's up to you to find and reassemble the only weapon that can destroy them—HEAVY BARREL. Whether you tackle these terrorists alone, or team up with a friend, HEAVY BARREL is the game for you.

APPLE ✓

## AL UNSER JR. TURBO RACING

*Pro Action Racing with the Champion Himself!*

Live the excitement of professional car competition with legendary racer Al Unser Jr.! This is racing like you've never seen before. Turbo-charged cars. True-to-life pit stops. All the grit and speed of the racetrack. Experience competition on the world's 16 most famous tracks. Design your own car, or drive Little Al's. Compete with your friends or with the champion himself!

*And now you can have your own poster of Al Unser, Jr. and his championship racer! Just look for it in any Data East Nintendo game package.*

## DASH GALAXY IN THE ALIEN ASYLUM

*Fight your Way through the Loony Bin of the Universe*

You're Dash Galaxy, fearless Space Explorer. And you've just landed a thousand light years from home on an alien planet filled with strange creatures, deadly force fields and dangerous pitfalls.

Your Mission: to make your way through the incredible maze of rocket rooms and elevator shafts and return safely to your ship. Use your amazing athletic abilities and superior intelligence to outsmart the slime-sucking aliens. After all, they don't call you Dash for nothing—you can jump and run better than anyone in the Universe. So, go ahead! It's time to show these freaks what an earthling can do!

# NINTENDO

# NON-STOP

## HEAVY BARREL

*The Ultimate Weapon for the Ultimate Mission*

Data East brings to Nintendo all the action and strategy of the arcade hit. A terrorist group has seized control of a nuclear test site, holding the world hostage. It's up to you to find and reassemble the only weapon that can destroy them—HEAVY BARREL. Make your way past powerful tanks and treacherous waterways to infiltrate the fortress. Once inside, be prepared for hand-to-hand combat like you've never experienced. It's the ultimate in simultaneous two-player excitement. If you're ready for a real challenge, then HEAVY BARREL is the game for you.

**NEW!**

## BATTLE CHESS

*A Dangerous War of Strategy*

Go beyond mere chess strategy. Digitized sound effects and 3-D animation let you see the war you're fighting! Only BATTLE CHESS from Data East combines a magnificent logic system with Nintendo's colorful, realistic graphics. Each piece has a unique method of attack, so you can see the battle unfold. Or switch to a 2-D overview when you want to concentrate on strategy. Select from a huge range of moves and six levels of play for infinite gaming possibilities. Play against the computer or challenge your friends. Either way, this is one chess game that will leave you breathless.

## ROBOCOP

*The Ultimate Super-hero is now the Ultimate Nintendo Game!*

As ROBOCOP, you're the high-tech answer to crime. Use your Special Issue Auto-9 to fight your way past street thugs, Clarence Boddicker and ED-209 to your final battle with Dick Jones.

Data East has captured all the heartstopping action of the box office hit! Stunning graphics and animation let you live the blockbuster movie. The hostage-rescue sequences and the shooting gallery will test your skills like never before. Grab on to the hottest release of the year!

## BAD DUDES

*Get Ready for the Fight of your Life!*

The President has been kidnapped! It's up to the BAD DUDES to save him. Armed with knives, shurikens, and numchucks, Blade and Striker must take to the streets and fight their way through ninjas, dogs, and dangerous enemies! If they can survive that, they'll come face-to-face with the Dragon Ninja himself. There are no holds barred in this ultimate war of streetfighting!

Now you can play the arcade hit at home. With intense action and multiple levels of play, BAD DUDES makes Double Dragon™ look like a day in the park. Test your skill on the toughest arcade-style game around!

# NINTENDO

# NON-STOP

## RAMPAGE

*When Was the Last Time You Punched Out a Skyscraper?*

Feeling frustrated? Ready to go on a RAMPAGE? Become George the Ape or Lizzie the Lizard in this arcade hit for one or two players. Go from city to city, smashing buildings and causing serious trouble from coast-to-coast! Watch out for dynamite, gunfire, poisonous food and slippery rivers. Smashing the world has never been so challenging or fun!

## BURGERTIME

*Arcade Fun for Your Nintendo System!*

As Chef Peter Pepper™ you're in charge of making perfect burgers. But cooking has never been so dangerous! Mr. Hot Dog™, Mr. Egg™ and Mr. Pickle™ are out to stop you. Stun them with pepper, or lure them to their deaths. The challenge grows progressively tougher through the six levels of BURGERTIME.

Coming Soon!

## CAVEMAN GAMES

*Travel Back to a Pre-hysterical Sports Challenge!*

All-time great Neanderthal athletes compete for medals in events that started it all: CAVEMAN GAMES . . . when competition was rugged . . . when brute strength was more than a commercial-appealing smile . . . when clubbing earned medals.

Watch for this all-time great "comedy classic"—coming this fall for the Nintendo Entertainment System.

# NINTENDO

## LOCK N' CHASE

*A New Adventure  
for your Game Boy  
Collection*

Cold, hard cash. There's money to be had, and it's *everywhere*. Sacks O' Cash are scattered around the maze that makes up the streets of this fair city. Payday has arrived!

There's only one problem. It's not your money. So the police are out to do what they do best—stop you.

Race through the streets in six nonstop levels of action. Scoop up the bucks and avoid the cops. Even put up a barrier or two if they get too close. If you're good enough, you *might* make a clean getaway.

## BURGERTIME

*Take this Arcade  
Classic with You  
Everywhere You Go!*

## SIDE POCKET

*All the Strategy of  
Professional Pool!*

Game Boy is hot! And now Data East is set to give you fast-paced action for this fun system. If you're ready to test your skill and reactions, then check out Lock N' Chase. It's sure to bring you back for more—and Data East will be ready with more exciting new games you won't be able to resist.
