# Premier Collection are giving you the chance to win one of the most stunning PCs to be launched this year, the ultimate Sharp handheld PC....

Providing the missing link in mobile technology, this machine offers the power and connectivity of a desktop computer in the palm of your hand. It's designed to operate the Microsoft® Windows® CE 2.0 system and offers all the familiar Windows® applications in pocket form; including Word, Excel, Outlook™ and Power Point Viewer®. You can even browse the Net and send e-mail on the move with Internet Explorer.

Sharp's full range\* of handheld PCs offer advanced features including colour LCD displays displaying 256 colours, seven one touch application keys and an audio record feature. The machines also provide image editor software which enables you to create or edit images from the optional digital camera card... just imagine e-mailing a holiday snap to a friend whilst still on the beach!

Three top of the range colour machines are up for grabs, each worth £799 plus a digital camera card worth £349.

To enter simply answer the question opposite, fill in the warranty registration and post!
