

# electronic GAMES If you're serious about having fun. . .

**ELECTRONIC GAMES** was the first magazine to cover the field. . .and it's the one magazine you need to get into the action, keep ahead of the game, and win when you play.

Each month, **ELECTRONIC GAMES** previews and reviews the newest games for your system—their graphics, their skill levels, their excitement quotient, how they play and how to play them—so you know which games are good, better and best for the money.

Each month, **ELECTRONIC GAMES** evaluates the newest equipment—from systems to controllers to accessories—and reports to you on their performance, their quality, and how much (or how little) they increase your enjoyment.

Each month, **ELECTRONIC GAMES** brings you specific playing tips and proven strategy of worldclass masters that can improve your skills, triple your thrills, turn you into a winner.

Each month, **ELECTRONIC GAMES** covers it all—videogames, computer games, stand-alone games, arcades—in fascinating features and columns by the field's foremost authorities.

Detach this portion and mail promptly.
