For the ZX SPECTRUM 48K

# The Great Detective by P. Rolfe

Hardware Required. ZX Spectrum 48K

## INSTRUCTIONS

The programme should be loaded using LOAD\*\*\*\*.

## THE GAME

Fame and fortune have come your way; you are ranked as the Worlds Greatest Detective – this adventure could change everything! It all begins when you receive a telephone "Tip off" – "A group of gangsters are planning a raid on the Crown Jewels" – with this lead you must track down, arrest and bring them to justice.

You are up against ruthless experts who leave few clues, and cover their tracks with meticulous care. If disturbed they will protect themselves at all cost. Stealth and a good shot will be your greatest assets! Your score and ratings are given when you deliver the gang into the hands of the Police.

## CONTROLS

All controls are prompted by the computer. In most cases your actions will be translated by pressing key A or key B.
