THE HUNT

You are standing in the cockpit of your spacefighter. You can see the vast space station through the main screen beside the exit hatchway. You can go east or west.

DISC VERSION ONLY

The hatchway opens and you are sucked out into space. The servo starts and carries you to the nearest air lock. You are beside air pressurisation on one of many vast platforms in space, all wisped in a gale. SPACE FORCE, says the sign. BUT SPACE FOR ALL TODAY. You can go in.

DISC VERSION ONLY

1. WIRE DROID
You say "DROID"

2. WIRE TAXI

A taxi takes you to customs. You are at customs stand on another space platform in front of a large archway that leads into the space station. You can go west.

DISC VERSION ONLY

hatchway. You can go east or west: to space exposure

1. M
You are in a dark and somewhat messy escape pod at the rear of the ship. You can see a scrap of material. You can go east. 2. Servos to space exposure

beside a large arch to the east. You can go east or west.

1. M
You are in the arrivals area with many old chairs around a closed bar, and a small, dark stairway. You can see a cute little lugobot. You can go east, northwest, southwest or up.

1. M
You are on a gallery that stretches around a wall of small white passages. Far below, there is a little red ball running along the ground. You can see a raised servobot. You can go south or west. The servobot rolls off to the south.
