INTERACTIVE ADVENTURES:

Interactive Adventures challenge your mind as you decipher clues and give commands to solve each mystery. These exciting games allow you to enter commands that will take you on a thrilling journey.

New threats and menacing dangers can occur at any moment, so you must remain constantly alert. The right command can protect you from evil, but the wrong command can spell disaster!

Medieval Adventure and **Stoneville Manor** contain text and graphics.

African Adventure, and **King Tut's Tomb** are text adventures.
