# MURDER HUNT

## THE PLOT...

Father Murphy looks on high, through the hole he can see the sky,  
The old Church roof, fending off sin,  
has finally rotted and fallen in; he lies in bed and wonders at night where he can get the money to put it right.

Then he is woken from his dream as the silence is shattered by a horrific scream; Looking out of the window as far as he could, Paddy saw the Gravedigger lying in a pool of blood. He rushes from the Church as fast as he can, to go and help the injured man. He stands over the body and is filled with dread - the man was stabbed and now he's dead!!!

Paddy thinks to himself 'The murderers insane',  
Then he see's the bloody footprints leading off down the lane. Where should he go, what should he do?

Now YOU play Paddy...  
It's up to YOU!

## THE OBJECT

Your quest is to track down and capture the murderer. You must then find a way of securing him before taking him to a safe place. (but where?)
