# PRE - HISTORY

You play the role of Arkenia a young woman , who on returning from a hunting trip with your faithful man Sarudan find your village has been raided by slavers who have dragged off your father and most of your other relatives leaving the village in ruins. You swear revenge on the slavers and vow to track them down to their base and if possible destroy them or die in the process....

This text adventure game understands all the standard adventure commands i.e. North, East, South, West, Up and Down which can be abbreviated to N, S, E, W, U, D. Some useful verbs are EXAMINE, LOOK, GET, DROP, GIVE, UNLOCK and many more. Other important commands are INVENTORY or (I) will give you a list of what you are carrying , SAVE will save the game position to tape and LOAD will restore a previously saved position from tape.
