# MELTED EYEBALLS!

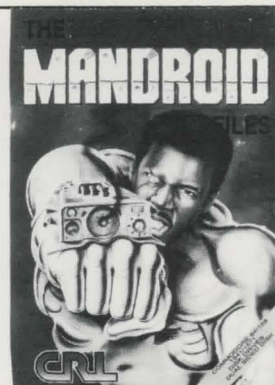

GAMES SO HOT, YOU NEED SUNGLASSES TO PLAY THEM!

## PURPLE HEART

- Everything Ikari Warriors should have been!
- Intense, simultaneous two player, four-way strolling action!
- 7 different, big and exciting levels to discover on both sides of the disk!
- Graphics so good, we used nothing but screenshots for the packaging! Go to your favorite computer store and check it out!

## THE MANDROID FILES

- Two challenging arcade adventures, taking up both sides of the disk!
- Infiltrate an enemy base, save seven astronauts, and restore radio contact to earth.
- Or, stop evil scientist Kazutaka from using the designs from Mandroid to create an army of killer soldiers.
- Free Mandroid poster included!

## TERROR

CRL

## TERROR

Four adventures that shocked the world have until now remained unpublished in the U.S. Boycotted by major U.S. software houses, they have changed the face of adventuring around the globe.

### Number 1 Adventure in:

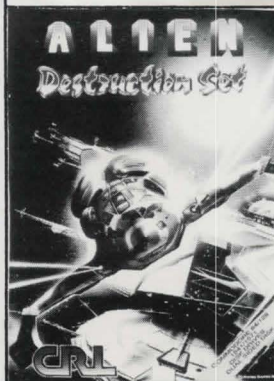

England

Australia

New Zealand

BANNED in West Germany, restricted in England.

A multi-disk horror epic, Jack The Ripper, Dracula, Frankenstein, and Wolfman represent 5 man-years of work in 12 parts.

## ALIEN DESTRUCTION SET

Four complete missions requiring quick puzzle-solving logic and fast arcade reflexes. Two disk sides of intense non-stop action!

## INTERNATIONAL SOCCER

- Fast-paced, 1 or 2 player action!
- 9 different skill levels!
- No other game captures the fast action and playability of the world's most popular sport!
- Free poster included!
