THE LEGEND

Your quest is vengeance -- for the death of your father, the King, and the menace that is destroying your beloved land of the Northern Kingdoms. Travel in search of Zoras, the Necromancer, who has terrorized the people and plunged the kingdom into evil darkness. The journey grows more and more difficult as you wield your sword through forests, graveyards, and city streets. Battle fiercely with guards, giants and foul, horrible creatures. Once you've reached the castle walls and fought your way inside, the swordfighting continues through dark corridors and hidden passages, where traps and surprises lurk around every corner. Sharpen your swordfighting skills and attain the necessary powers and shields for the ultimate battle. Zoras spins his evil web over your country, and waits...

THE REVIEWS

"...the closest thing to state of the art coin-op on the Amiga. ...If you buy one Amiga action game this year, this has got to be it."

Tony Horgan - AMIGA USER INTERNATIONAL

"The characters are larger than life, the graphics are very clean, and action is incredibly fast-paced."

Jim Jung - VIDEO GAMER MONTHLY

"Sword of Sodan is a mix of role-playing and arcade action, but it comes closer to actual role playing than any other fantasy games out there. ...an excellent, well put-together package."

Eyo Sama - AMIGO TIMES

"Look for Sword of Sodan to be a **big** hit."
