Lady Tut

Find the tomb of the fabled "Boy-King's" mother in the recently unearthed pyramid. A strange pyramid...maze upon maze with deadly defenders from the netherworld, where conventional weapons don't work, where secret doors benefit you — *if* your timing is right. The newest in the great series of games from California Pacific, destined to become a classic. Apple II, II+, IIe, 48K, Disk. Enhanced for Mockingboard. Order No. AP-0533. $29.95.

Lord British Starter Kit *(Contains Two Games: Ultima & Akalabeth)*

The classic fantasy game, Ultima has been in Softalk Magazine's Fantasy Top Five ratings longer than any other fantasy role playing adventure. The LORD BRITISH STARTER KIT bundles Ultima with Lord British's introductory fantasy Akalabeth to bring you many, many hours of challenge and pleasure. An exceptional value at $34.95. Apple II, II+, IIe, Applesoft, 48K, Disk. Order No. AP-0211. $34.95.

Hungry Boy

The best available eat-the-dots genre game for the Apple. All Hungry Boy wants to do is get a good meal, eating the little fruits and dots he finds in the Great Maze. But right on the trail of Hungry Boy are a pack of ghosts who want to eat Him! High speed, hi-res action from our Astar International line, featuring 10 levels of difficulty. Apple II, II+, IIe, 48K, Disk. Order No. AP-1013. $24.95.

Bill Budge's 3-D Graphics System & Game Tool

Peelings Magazine compared all the 3-D Graphics Systems for the Apple computer and ranked ours the highest. Hi-res graphics utility adds 3-D animation to BASIC and Assembly Language programs. Detailed manual and tutorial show how to create and edit 3-D shapes and control them from your programs. Includes text generator and missile utilities. An exceptional educational tool, our 3-D package has also been used to create other commercial entertainment packages. Apple II, II+, IIe, 48K, Game paddles or Joystick, Disk. Order No. AP-0143. $39.95

PROGAME

Cosmos Mission

The first great Apple arcade game. Winner of the 1st Annual Softalk Magazine "Best Program of the Year" Award for 1980. Formerly known as Super Invaders, Astar International brought us this gem from Japan. Still plays as well as ever, also plays very well on monochrome green or black displays. A true collectors item — the game that started the arcade craze. Apple II, II+, IIe, 32K, Disk, Game paddles or Joystick. Order No. AP-1001. $24.95.

Bill Budge's Genesis *(Contains Trilogy and Space Album)*

Seven different games on one disk. The start of the famous programmer's career. Three from Trilogy of Games, including Bill's first pinball simulation and four games from Space Album — all hi-res 3-D space arcade games including Death Star, Tail Gunner & Solar Shootout. Another valuable collectors item. Seven games for less than $3.00 apiece. Apple II, II+, IIe, 32K, Game paddles or Joystick, Disk. Order No. AP-0162. $19.95.
