### Rules and Regulations:

Redemption card valid until May 1, 1990. All prizes subject to availability. Offer good only while supplies last. Prizes involving free software are subject to availability and scheduled release dates. Employees of MicroProse Software, Inc. and Medalist International are not eligible. Offer void where prohibited.

## Frequent Buyers Club Membership Information

The **Go For The Gold** Club is a fun way to fill your software collection with the hottest, most exciting games on the market. And becoming a member is easy! Return this redemption card, along with any medals you have accumulated, and you'll receive unique prizes from Medalist International (according to the point value of your medals), as well as a Gold Medalist Emblem Pin confirming your membership in the **Go For The Gold** Club. Although it takes just one medal to become a member and win a prize, you can collect as many as you like to increase your prize value. In fact, as you complete each redemption card with 100 points worth of medals, you move up to the next level of prize assortments: **Silver, Gold, and Platinum** levels.

Membership in the **Go For The Gold** Club also entitles you to receive advance notice of exciting new product releases from Medalist International! And there's more:

- Submit as many redemption cards as you can; your chances to win are endless!
- Each Medalist International game contains a medal worth 25, 50, or 100 points, so you win a prize with every purchase!
- Every redemption card turned in worth 100 points, enables you to begin collecting for more prizes.

A redemption card and stick-on medal can be found in any of the following Medalist International products: Carrier Command, Fast Track, RVF Honda, Savage, Starglider II, Pro Soccer, 3-D Pool, Weird Dreams, Xenophobe, and many more.
