IN SEARCH OF
THE MOST AMAZING THING™
QUICK REFERENCE CARD

Loading the Atari® Program

- Put the Basic Computing Language Cartridge into your computer.
- Make sure your computer is turned off.
- Turn on your disk drive.
- When the top red light (the "BUSY" light) goes out, open the disk drive door.
- Put the In Search of The Most Amazing Thing disk (Side 1) into the disk drive and close the disk drive door.
- Turn on the computer.

The program will start automatically.

Saving the Game

- Do not put a write-protect sticker on the disk. A write-protect sticker will not allow you to save the game.
- Go inside the B-Liner.
- Go to the B-Liner computer and **press the joystick button.**
- To save the information that you have collected, **press S.**
  (If you are on Side 2, the computer will tell you to flip the disk to Side 1. The game can only be saved on Side 1.)
- When the disk drive red light goes on, that means the game is being saved.
- When the red light goes off, you you may continue playing the game.

Taking Care of In Search of the Most Amazing Thing

- When you have finished playing with the program, open the disk drive door and remove the disk.
- Be careful not to bend the program or touch the exposed part of the disk.
- Turn off the computer.
- Return the disk to its sleeve and place in the album cover.
