# ERSTAR SPORTS GAMES

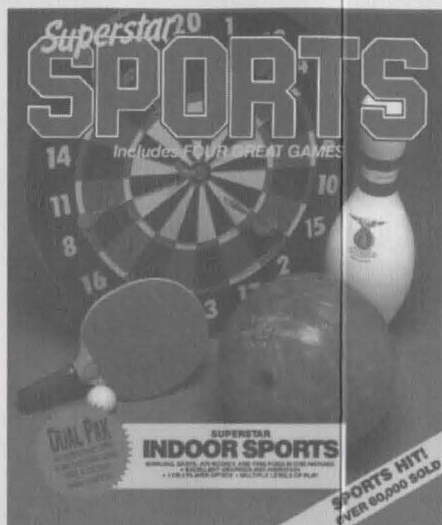

Graphics and Animation • Fast  
Action • 1 or 2 Player Option  
Multiple Team Divisions

**OUTDOOR AND INDOOR SOCCER** contains all the excitement of outdoor and indoor soccer. Play in the best soccer simulation ever on computers! **SUPERSTAR OUTDOOR AND INDOOR SOCCER** contains all of the action and excitement of soccer. Make sliding tackles, bounce headers and play in the outdoor version. Use the boards and your advantage in the indoor version. Play on the computer, or have two players on the same machine. As the season begins your team will be the best in the entire league. You are challenged to lead your team to the Association Cup with 63 teams and into the Association Cup.

Gameplay action doesn't stop on the field. As manager of the divisions newest team, you can make trades, draft new talent, conduct substitutions and call strategies. If you are a fan, you can build up a soccer dynasty as you make the right moves, and your team will be the best franchise forever. **SUPERSTAR SOCCER** has total control of the game and is really two games in one!

Available on IBM 5 1/4" and C64 Disks

**Includes FOUR GREAT GAMES**  
Bowling, Darts, Air Hockey and Ping-Pong in  
**ONE Package** • Excellent Graphics and  
Animation • 1 or 2 Player Option  
Multiple Levels of Play

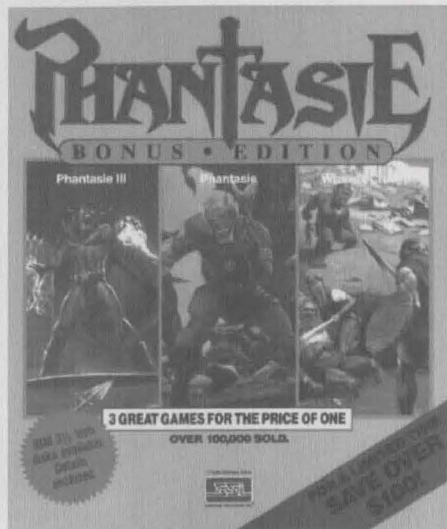

It's always a good idea to stretch before the competition begins—and you will by purchasing this program. You will stretch your dollar to four times its worth by taking this great collection of games home.

**SUPERSTAR INDOOR SPORTS** contains four high-quality, challenging games that will keep you entertained long after other games have been retired. Get the ball rolling with **BOWLING**. Throw strikes, spares or gutter balls in this realistic bowling simulation. You can even control the curve of the ball, and the slickness of the lane. **DARTS** won't leave you bored. Use strategy and "toss technique" to set aim, angle and power of your toss. Darts even uses official scoring rules, including double on and double off. Get a rush from **AIR HOCKEY**. Play the angles or go for the straight-in shot as the air puck "floats" around the table. The puck can be hit in 32 different directions at over 40 different rates of speed, so you will need lightning quick reflexes to keep up. Finish off with a generous serving of **PING-PONG**. Choose from a side or end view of play and multiple speed settings that make this game as easy or hard as you desire. Rack up points by smashing forehands and backhands. Reaction time and endurance will also come into play.

Not just a collection of "short" events. **SUPERSTAR INDOOR SPORTS** includes four great stand-alone games in one package, that will provide many hours of entertainment at one great price!
