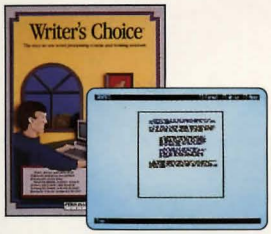
Personal Choice Software™

Personal productivity software for home, school and small business use.

For Commodore 128 and 64, Apple II series, IBM PC and PCjr., and Tandy 1000 computers.

PERSONAL CHOICE
SOFTWARE



Writer's Choice™

The easy-to-use word processing system and writing assistant.

Write, revise, edit, almost effortlessly and print out perfect documents every time.

Ideal for letters, reports, school papers, proposals – any kind of writing for home, school or small business.

Contains 50,000-word spelling checker. Powerful. Affordable. And it will save you time.

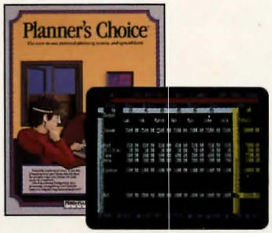
Filer's Choice™

The easy-to-use filing and record-keeping system.

Ideal for organizing household records, inventories, calendars, mailing lists, rosters – almost anything for home, school and small business.

Add, modify and delete information at the touch of a key.

Set up your files in minutes. Use them for years.



Planner's Choice™

The easy-to-use personal planning system and spreadsheet.

Simplify numerical tasks with the planning tool and spreadsheet that helps you organize, estimate and analyze numbers.

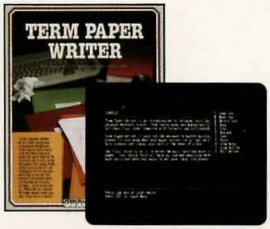
Ideal for home budgeting, tax planning, comparing investment options, organizing statistical report data and financial reviews.

Just enter your numbers and the results are calculated for you – automatically.

The Personal Choice Collection™

The most complete, easy-to-use and affordable set of personal productivity tools you can find.

Used together, these three products let you customize your documents. Combine text and numbers. Tables and text. Now there's an easier way to manage your future. And more time to enjoy it.



Term Paper Writer™

How to create the ultimate 20-page term paper in four easy steps:

The Notetaker: An electronic card file that helps you collect information and organize it by source... and by topic.

The Outliner: Helps you organize lists of ideas into topical groups or prepare an outline. You can transfer your outline directly to your writer file.

The Writer: A full-featured word processor. You can manipulate entire blocks of text. Add, delete, insert, edit, boldface, underline and center. Search and replace words or phrases, even format long quotations.

The Footnoter and Bibliography Compiler: Term Paper Writer inserts footnotes on the appropriate pages and compiles your bibliography by drawing all the information directly from your notes.

For Apple IIe, IIc, II+, IBM PC, and 100% compatibles.

I AM THE C128™

A tutorial for the Commodore 128.

I Am The C128 takes the mystery out of your computer. Now you can discover what makes your C128 tick.

Each of nine volumes is presented in easy-to-follow, step-by-step terms. Learn everything from the keyboard layout to BASIC programming and animation.

For Commodore 128 only.

Personal Choice Software, Drawer 7287, Mountain View, CA 94039. For additional product information, call 800-227-9759 or (in California) call 415-940-6044.
