THE CURSE OF CROWLEY MANOR

Murder at the Crowley Estate in London 1913. This "whodunnit" computer adventure novel will keep you on the edge of your seat, as a simple homicide turns into a trip into the occult.

With unique plot-twists unfolding before your very eyes, and danger lurking in every corner, sinking to the depths of hell is a distinct possibility for those unable to resist the forces of evil. Moderately skilled Adventure lovers can tackle this unique program and learn what it takes to join the ranks of Scotland Yard; skilled Adventure enthusiasts will appreciate the quality and attention to detail that has been made.
