# PLANE SCAPE™ TORMENT™

1999 RPG of the Year!\*

Sigil, the “City of Doors,” is a place with gates that lead anywhere in existence, provided you have the proper key. It is a neutral ground and a watering hole for races across the multiverse, all under the watchful shadow of the Lady of Pain, the enigmatic ruler of the city. It is a place where the word is mightier than the sword, where thought defines reality, where belief has the power to reshape worlds and change the laws of physics.
