The Masters Collection is a collection of adventures and simulations so sophisticated they are recommended for the advanced game player.

To help you get the most from these games, Epyx has designed a hint book. It includes *The Legend of Blacksilver* and these other bestselling games.

## The Legend of BLACKSILVER

This sword and sorcery adventure takes you out of this world—and into the world of Bantross. A world dominated by an evil baron, whose power arises from an obscure mineral called blacksilver. To succeed in this adventure, you must skillfully select your weaponry and develop your skills. Obstacles await you as you travel through 40 levels of dungeons. Prepare yourself well for the final confrontation in *The Legend of Blacksilver*.

## SPACE STATION OBLIVION

Adventure through a vast and eerie spacecape full of uncharted territories. Your goal is to save the space station by uncovering 18 drilling points and burning off a dangerous gas before the station explodes. On the ground or in the air, you'll find this adventure startling. Its revolutionary 3-D scaling provides unique points of view as you explore the mysteries of *Space Station Oblivion*.

## L.A. CRACKDOWN

This has all the intrigue and adventure you've been looking for. Play the part of a senior detective. Using your intuitive skills and experience, you'll try to break a major drug ring in L.A.. Gather clues by questioning underworld characters, researching evidence and planting bugs. Follow your leads carefully and you'll make the biggest crackdown ever!

## SUB BATTLE SIMULATOR

This is your chance to embark on what is unquestionably the most detailed, realistic, all encompassing war simulation ever created. As commanding officer, you'll direct one of six U.S. Navy subs or German Kriegsmarine U-Boats during World War II. Perform one of 60 different missions. This sophisticated game demands the best from you.
