Software License Agreement

This License Agreement describes important rights and obligations governing your use of the software. BREAKING THE SEAL OF THE DISKETTE PACKAGE CERTIFIES THAT YOU HAVE READ, UNDERSTOOD AND ACCEPTED THESE RIGHTS AND OBLIGATIONS.

Please remember that you alone are responsible for determining which software best meets your particular needs, for installing the software, and for the results obtained.

Accordingly, you should determine your needs, evaluate the software's capabilities and insist upon a demonstration of the software before you make your final decision.

License

Digital is granting you a license that is the right to use the software in accordance with the following terms:

1. You may use the software only on the single computer system unit on which you first use the software.
2. You may copy, modify or merge the software with other software, always including all copyright notices, only for use on that unit. Some software may contain measures which inhibit copying. This software is clearly labelled.
3. You may use the software temporarily on another unit should the original unit malfunction. Some software may contain measures which inhibit its transfer from one unit to another. This software is also clearly labelled.
4. You may transfer this license and the software with the unit on which the software was first used to a third party provided:
 - (a) The third party agrees to all terms of this agreement;
 - (b) You notify Digital of the name and address of the third party and serial number of the software; and
 - (c) You do not retain any copies of the software.
5. You may use the software provided you comply with all terms of this agreement. Failure to comply with any of these terms terminates the agreement and your right to use the software. Upon any termination of this agreement, you must agree to destroy all copies of the software.

By breaking the seal on the diskette package, you acknowledge that this agreement is the entire and exclusive expression of Digital's agreement with you and supersedes all prior communications with you, both oral and written.
