## Solid Gold HITCHHIKER'S GUIDE TO THE GALAXY™

Omni called THE HITCHHIKER'S GUIDE TO THE GALAXY "a riotious jaunt through time and space." Enter commented, "If you don't laugh, see a doctor!" And Popular Computing reassured us that "the interactive HITCHHIKER'S GUIDE is every bit as outrageous and funny as the novel."

Now a Solid Gold version of this interactive fiction classic is available for just \$14.95! As with all Solid Gold classics, the package offers the complete game disk and an instruction manual containing everything you need to play. And don't panic: all Solid Gold titles feature on-screen hints!

To create the hilarious THE HITCHHIKER'S GUIDE TO THE GALAXY, award-winning game designer Steve Meretzky teamed up with British humorist Douglas Adams, author of the best-selling book of the same title. The interactive version of HITCHHIKER'S GUIDE is a runaway success in its own right, selling over a quarter million copies!

THE HITCHHIKER'S GUIDE TO THE GALAXY puts you in the role of the hapless Arthur Dent, whose house is being bulldozed to make way for a highway bypass. Not that it matters, really, since the Earth is about to be destroyed for similar purposes. But chin up, you're headed for a hilarious series of intergalactic misadventures. So grab a pint of bitter and a couple for the road and join Ford Prefect, Trillian,

Zaphod Beeblebrox, and Marvin on a cosmic jaunt into the outer reaches where anything can — and does — happen.
