# THE STELLAR PATROL

Prepare to be teleported 120 centuries into the future and hurled out of your Stellar Patrol spaceship mere moments before it explodes.

And if the first five minutes of PLANET-FALL don't kill you, you'll really have your work cut out for you. Because the planet on which you crash-land is plagued with floods, pestilence and a mutant Wild Kingdom. And during the next couple of days or more, you'll be confronted by the bizarre, the baffling and the inexplicable. *What destroyed your vessel? Why are there buildings*

*but no inhabitants? How does one gain entry to the secret recesses of the vast scientific installations? And who is that little fellow who keeps following you around? (It is, in fact, Floyd, a multi-purpose robot who has the personality of an eight-year-old and whose memory banks may hold the secrets of this strange planet. In short, the ideal companion with whom to brave your new world as you explore its secrets and dare its dangers.)*

Laughs, thrills, tears and triumph. You'll find it all in PLANET-FALL. Have a swell trip, and don't forget to drop us a postcard!

# THE STELLAR PATROL WANTS YOU!

*"Planetfall is just about worth the price of a computer."*

*—Memphis Magazine*

Steve Meretzky's *Planetfall* has long been a favorite of interactive fiction fans. And Floyd, your playful robot companion in the game, easily takes the prize for best-loved Infocom character.

Now this interactive fiction classic has joined Infocom's specially-priced Solid Gold line. Solid Gold classics are the "paperback" versions of our best-selling titles, offering the complete game disk and an instruction manual containing everything you need to know to play. Plus, all Solid Gold titles feature on-screen hints!

*Planetfall* teleports you 12,000 years into an outrageous future. You joined the Stellar Patrol to explore the galaxy, but all you've seen is the end of a mop—until your ship explodes, and you're jettisoned onto a mysterious, deserted planet. Luckily, you have

Floyd, a lovable multi-purpose robot with the personality of a mischievous 8-year-old. He's the ideal companion with whom to brave your new world, as you dare its dangers and uncover its secrets.

## ENTER THE WORLD OF THE MASTER STORYTELLERS.

Interactive fiction software from Infocom is unlike anything you've ever experienced. It's a whole new dimension in storytelling.

Think of your favorite story. Now think of the main character in that story. And imagine that YOU have become that character. You are standing in his shoes, in his world. You have people to meet, places to visit, and challenges to face. It's all just as vivid as anything you've ever experienced in real life. The decisions are yours... and so are the consequences.

In interactive fiction, you communicate with the story through conversational English sentences typed into your computer. The

plot unfolds as you decide what to do next, drawing you into a world so involving that it taps your adrenaline as much as your intellect. With hundreds of alternatives at each step, your adventure can last for weeks and even months.

Journey to a place limited only by your imagination—the world of Infocom's interactive fiction.
