Activision Challenges Your Every Move

You're about to lift off from Cape Canaveral and land at Edwards Air Force Base, begin the most rigorous event in sports history, ride criss-crossed beams of light into a new dimension, battle relentlessly down the River Of No Return, defend the planet Terra from the most massive space-fortress ever to rule the universe, wage off-the-wall warfare with creepy crawlers, corn gobblers and the masked Mad Bomber! Not to mention encountering military tanks that have run amok and are overtaking the populace, and enduring the road race of the century.

And that's just the beginning. Our designers are creating game experiences to further develop your imagination, endurance, courage, dexterity, and sense of humor. Because at Activision, we want to challenge your every move.

Uncover ancient treasures with Pitfall Harry™ and his sidekicks, Rhonda and Quickclaw. Climb into a maze 27 levels deep, escaping bats, condors, poisonous frogs, albino scorpions, and electric eels. Swim through raging rivers, soar with hot-air balloons, and free-fall down to another plateau. Pitfall II Lost Caverns. It's the video adventure game you've been waiting for!

Designed by John Van Ryzin

Miners are trapped in molten heat! With the aid of your compact power-pack, you must come to the rescue! Fly through the red-hot mine, blast through magma walls, flow down lava rivers, and zap volcanic vermin with your micro-laser beam! H.E.R.O.™ — pure dynamite for the Atari® 2600™!

Designed by Steve Kitchen

Blast off! Check the flight pattern and fuel gauge, and begin orbiting the planet in search of the satellite you've been sent to dock with and refuel. RENDEZVOUS flashes as you make final contact. Docking completed, prepare to land at Edwards Air Force Base. You're home! Begin flight training with Space Shuttle—A Journey Into Space.™

Designed by Larry Miller

Fasten your seatbelts, the National Enduro™ is ready to take you on. This high-powered, cross-country race winds like a bad mountain road. Your odometer registers mile after mile of changing weather conditions, shifting gears and squealing brakes—you're passing, always passing. Complete as many of the 99 days as you can. Enduro.™ Can you endure?

Designed by Garry Kitchen

You are the chef, taking order after order in a chaotic kitchen. Sound simple? Just wait! Watch those sizzling beauties fly past on the conveyor belt as you stumble, fumble, and gather the goodies. Delicious graphics! Fast-food action! Step right up and place your takeout order today!

It's 45° and Frostbite™ B-b-bailey, arctic architect, is b-b-busy building an igloo b-b-before the temperature hits zero. Alone, he jumps on ice f-f-floes, collecting s-s-slabs of ice while evading Snow Geese, Alaskan K-k-king crabs and c-c-clever clams. Not to mention a polar grizzly bear! Can Frostbite™ finish his igloo or will he turn into b-b-blue ice?

Here's the Mad Bomber now, dropping little black bombs off that nearby rooftop. You've got to grab a bucket of water and catch those sparklers before bedlam breaks loose! It's wild. It's irresistible! And now, in the two-player version, you can fling the fireworks or be the fast-catching bucketeer and compete head-to-head. Catch the action!

Designed by
Carol Shaw

Activision's high-flying battle adventure is ready for action! Pilot your jet over the River Of No Return while blowing up enemy bridges and escaping jets, choppers, tanks and ships that wait at each endless turn of the river. Remember: the farther you fight your way in, the narrower the channel becomes, and the chances to refuel get slimmer and slimmer.

Designed by
Steve Cartwright

MegaMania™ Activision's obsessive space nightmare, is making new waves. You're asleep at the controls of your spacecraft when legions of hostile hamburgers, bow ties, steam irons, space dice, ice cream sandwiches, diamond rings, radial tires, and ladybugs creep into your conscience. Blast them away or you'll fry!
