S TAMPEDE™

IT'S A TOUGH
GAME—NO BULL!

Yahoo! Stampede™ by Activision® is bringing some kind of fun to your Intellivision®. And some kind of challenge! The object of this tough little video trail drive is to lasso as many stamped-eing calves as possible. But hold on there, Pilgrim! Those little "dogies" are right clever, and they'll do their darnedest to outsmart you! So, ride hard, rope fast, and hold on to your hat! You're in for the truest test of the wild, wild West!
