SPELLCASTING PARTY PAK

Certainly Steve Meretzky's finest set of games

— **Quest Busters**

You are in the hands of a master

— **Computer Gaming World**

Three great games — all in one box!

Set includes Spellcasting 101: Sorcerers Get All the Girls, Spellcasting 201: The Sorcerer's Appliance, Spellcasting 301: SPRING BREAK.

From the scandalous imagination of Steve Meretzky, these tales of high education and low morals have delighted legions of fans. All three hit games feature the academic adventures of our favorite nerd, Ernie Eaglebeak in a series of delicious romps through the magical realm of Peloria. From the bedrooms and barrooms of Sorcerer University (where grading on a curve takes on a

whole new meaning) to Spring Break at Fort Naughtytail, Ernie struggles to win the affections of his one true love, Lola Tigerbelly, and along the way experience the (ahem) educational opportunities of college life. To pass this course you'll need to cast ridiculous spells, solve ribald puzzles and interact with gorgeous women.

Any questions? We didn't think so.

Class dismissed.
