# The Spellcasting Series

Certainly Steve Meretzky's finest set of games – QuestBusters

## Spellcasting 101: Sorcerers Get All The Girls

*From the scandalous imagination of Steve Meretzky*

Ernie Eaglebeak has two career options – dragonrending or sorcery. Dragonrending demands long days roasting under the acrid breath of temperamental dragons. Sorcery offers a 4-year romp through Sorcerer University...4 years of frat parties, scantily clad co-eds, reckless behavior – and plenty of adventure. Tough choice! From battling dragons in the simulation lab to surfboarding through the magical realm of Peloria, join Ernie as he fights to save Sorcerer University from the clutches of his evil stepfather, Joey Rottenwood. Naughty and nice modes.

## Spellcasting 201: The Sorcerers Appliance

*Another tale of high education and low morals!*

Ernie is back at Sorcerer U. for his sophomore year and wants to join a fraternity. No problem, except for the vindictive pledgemaster who burdens Ernie daily with a ridiculously impossible hazing task. Ernie needs help...and using the Sorcerers Appliance he created Eve, the ideal helpmate. Well, maybe not ideal but certainly

entertaining. Ernie and Eve embark on a hilarious romp through the bedrooms, turrets and tunnels of Sorcerer University and nearby Barmaid U. (where grading on a curve takes on a whole new meaning). To pass this course you'll need to cast ridiculous spells, solve ribald puzzles and interact with gorgeous women. Any questions? We didn't think so. Naughty and nice modes.
