- *Spellcasting 101: Sorcerers Get All the Girls,*

From the scandalous imagination of Steve Meretzky, these tales of high education and low morals have delighted legions of fans. All three hit games feature the academic adventures of our favorite nerd, Ernie Eaglebeak in a series of delicious romps. From the bedrooms and barrooms of Sorcerer University (where grading on a curve takes on a whole new meaning) to Spring Break at Fort Naughtytail, Ernie struggles to win the heart of his one true love, Lola Tigerbelly, and along the way experience the (ahem) educational opportunities of college life. To pass this course, you'll need to cast ridiculous spells, solve ribald puzzles and interact with gorgeous women. Any questions? ...We didn't think so.
