Companions of Xanth

"The new interface looks like a graphic adventure in the true sense of the word...however this doesn't begin to tell the story."

— Computer Gaming World

Based on "Demons Don't Dream," the latest in the wildly popular Xanth novels by Piers Anthony, you explore this magical world of mythic wonders and become a player in a game where the stakes are the existence of magic itself. Interact with Elves, Ogres, Demons, Golems, Centaurs, a serpentine Naga princess, and even the deadly Gap Dragon. Discover the hazards and wonders of Xanth firsthand as you battle the evil Com-Pewter, outwit the devious Humphrey and survive the horror of the graveyards and haunted mansions of the Gourd. Featuring an all-new point-and-click interface designed for intuitive and efficient game play, *Companions of Xanth* offers complete graphic adventure features plus unique innovations. **FREE paperback edition of "Demons Don't Dream," by Piers Anthony included!**

High Density 3½" - Hard disk, 640K RAM required. VGA, VESA compatible Super VGA. Microsoft compatible mouse required.

SPELLCASTING PARTY PAK

Certainly Steve Meretzky's finest set of games

— Quest Busters

You are in the hands of a master

— Computer Gaming World

Three great games – all in one box!

Set includes *Spellcasting 101: Sorcerers Get All the Girls*, *Spellcasting 201: The Sorcerer's Appliance*, *Spellcasting 301: SPRING BREAK*.

From the scandalous imagination of Steve Meretzky, these tales of high education and low morals have delighted legions of fans. All three hit games feature the academic adventures of our favorite nerd, Ernie Eaglebeak in a series of delicious romps through the magical realm of Peloria. From the bedrooms and barrooms of Sorcerer University (where grading on a curve takes on a

whole new meaning) to Spring Break at Fort Naughtytail, Ernie struggles to win the affections of his one true love, Lola Tigerbelly, and along the way experience the (ahem) educational opportunities of college life. To pass this course you'll need to cast ridiculous spells, solve ribald puzzles and interact with gorgeous women.

Any questions? We didn't think so.

Class dismissed.

SPECIAL OFFER: Hint Books 50% off. Set of 3 only \$15.00 when ordered together with Party Pak (\$30.00 value!)

High Density 3½" or CD-ROM - Hard disk, 640K RAM required. VGA, VESA compatible Super VGA. *Spellcasting 101 and 201 display hi-res EGA only.*

High Density 3½"	SPPD	\$59.95
CD ROM	SPPCD	\$49.95

Individual Spellcasting games and hint books are still available. Please call for current price and availability.

GATEWAY Adventures

Based on Frederik Pohl's Hugo and Nebula award-winning Heechee saga, these best-selling games feature deep space adventure, incredible alien encounters and astounding new worlds.

If you took our advice earlier this year, you've already played the first Gateway and will know what we mean when we say that Legend Entertainment has produced another winner

— Science Fiction Age

Frederik Pohl's GATEWAY

Vastly superior graphics — **Strategy Plus**

Gateway drops you into a very believable world and makes it easy and fun to spend weeks exploring it

— Science Fiction Age

Get rich quick or die! You strap yourself into an alien starship whose destination was programmed 500,000 years ago by a race called the Heechee. At journey's end you may discover a motherlode of technology that will make you rich. More likely you will die. You discover the terrible secret behind the vanished Heechee civilization and enter a desperate battle against an ancient

race called the Assassins. The dramatic conclusion takes place in a cyberspace reality drawn from the nightmares of your own subconscious! **FREE Hint Book Included!**

High Density 3½" or High Density 5¼" — Hard disk required. VGA, Super VGA, EGA: 640K RAM required. CGA, MCGA, TGA: FREE hi-res black/white disk available on request. 512 RAM required.

GW \$19.95

GATEWAY II: HOMEWORLD

A heart-pounding race for survival, Gateway II keeps the player in a state of near terror — **Strategy Plus**

Spectacular 256-color animated sequences created with state-of-the-art 3-D tools!

The year is 2112. The city is San Francisco. You are a successful space prospector enjoying the financial rewards of previous missions. Your peace is about to be shattered. A fanatic cult of terrorists plans to bring the Heechee's ancient enemy to Earth and purify humanity in a bath of cleansing fire. You must stop them, but you can't do it alone. The race to stop these madmen catapults you

on a journey to new worlds and new adventures and ultimately across the event horizon of a massive black hole where you discover mankind's last remaining hope for survival — the Heechee Homeworld. **FREE Hint Book Included!**

High Density 3½" — Hard disk, 640K RAM required. VGA, VESA compatible, Super VGA. No RealSound support.

GWII \$59.95

Gateway II: HOMEWORLD

now available on CD-ROM!

More than 20 minutes of NEW animation sequences filled with detailed 3-D modeled and rendered images! **FREE Hint Book Included.**

Hard disk, 640K RAM required. VESA compatible hi-res Super VGA

GWII CD \$59.95

Combo Offer - both Gateway games for one low price! Available on High Density 3½" disks only.

Eric the Unready

1993 WINNER Computer Gaming World's Adventure Game of the Year

Computer Game Review says:
Highest Rated Adventure Game Ever

A raucous tour de farce...a comedy adventure filled with whimsy and wonder.

— Computer Gaming World

Reminds me of the movie Airplane! Eric is flat out funny. There's comedy for everyone and a good quest to boot.

— Computer Game Review

Bob Bates spoofs everything from Saturday Night Live to Star Trek. — Strategy Plus

Eric the Unready established his reputation by impaling his instructor during jousting class. Then, when Princess Lorealle the Worthy is kidnapped, Eric begins a madcap quest through this hilarious fantasy world packed with dragons and dwarves, wizards, unicorns and the most fearsome beasts of all, the dreaded Attack Turtles. A comedy adventure by Bob Bates.

High Density 3½" or High Density 5¼" - Hard disk, 640K RAM required. VGA, VESA compatible Super VGA, hi-res 16-color EGA.

EU \$29.95 EU Hint Book \$9.95

Eric the Unready now available in CD-ROM!
