

LUCASARTS ENTERTAINMENT COMPANY PRESENTS

THE COMPANY STORE

*Featuring the Full Line of LucasArts
Games and Hint Books*

VOLUME
TWO

Dear LucasArts Gamers,

Welcome to the newly remodeled LucasArts Company Store! In this new catalog we've added more screen shots, detailed story summaries, game ratings and features listings. We're the only place you'll find the complete lineup of LucasArts games, offering today's hottest releases as well as our classic games, strategy guides and LucasArts gear.

While we sincerely appreciate all of your past business, we no longer offer Star Wars toys and collectibles for sale. For the latest information on the Trilogy Special Edition, the upcoming movie prequels, or the latest toys and collectibles, visit the Star Wars web site at www.starwars.com.

Many of you responded to our Customer Satisfaction Survey last fall. We listened to your suggestions and have made some major improvements. As a result, we've completely retooled our order processing center and spent countless hours on product/customer service training; you'll find ordering is even easier than before. We've also added on-line ordering via the Company Store page on our web site. All this, combined with our 30-day money back and in-home delivery guarantees (no one will receive Rebellion before you!) and our great game pricing values, makes the Company Store your unbeatable choice for purchasing LucasArts games.

Our tradition for great entertainment continues this year and beyond. We invite you to explore, select your favorites and order today. Thank you.
