## *The quest for freedom!*

*When you can't remember who you are, where you are and even what year it is, then you know trouble cannot be too far away...*

*Held **Captive** for two hundred years in an orbiting space prison for a crime you didn't commit, you are desperate to escape from your electronic gaol.*

*Armed only with a briefcase computer found in the corner of your cell, you start sending out electronic SOS calls to the battling world outside.*

*Eventually you find a motley crew of four droids ready to help bring about your escape..*

*...so begins your quest for freedom!*
