

# Alice IN WONDERLAND

The cover art is a vibrant, colorful illustration of the Alice in Wonderland story. At the top, a crescent moon with a face and a butterfly are set against a blue sky with clouds. The title 'Alice IN WONDERLAND' is written in a large, stylized font with a yellow-to-orange gradient and a white outline. Below the title, a central figure of Alice with long blonde hair and a white dress looks forward. To her left, a large brown bear is surrounded by falling playing cards. To her right, a blue-skinned King of Hearts sits on a mushroom, smoking a pipe. In the background, there's a garden with a fountain, a hedge maze, a red dragon, and a white rabbit. The bottom of the cover features the text 'CONTINENTAL' and 'SOFTWARE' in a bold, black, sans-serif font.
