Vic is your eyes and ears. Your moves must be in the form of 1 or 2 word commands.

Vic will understand 44 verbs but you may need to experiment to get the move that you want.

Directions may be abbreviated to 1 letter, i.e. N for north, D for down, and so on. Alternatively, say Go Up, etc. Type carefully!

Useful 1- word Commands

- SAVE - Saves a current game position tape for future use.
- LOAD - Loads previously-saved game.
Note: Use these only after program.
- QUIT - Abandons a game and restarts.
It is a good idea to save your positions in case you die!

All other commands must be in 2-word format.
