PROBLEMS?

Edu-Ware is firmly committed to supporting the users of its products. This support consists of a 30-day limited warranty, followed by unlimited low-cost service and updates. Note that the Edu-Ware Warranty applies equally to both "glitches" (bad media problems) and "bugs" (program errors).

Regardless of the nature of your problem, we would ask you to use the form on the back of this page in addressing our Service Department. In the event that charges are in order, please accompany your service request with a check or money order, otherwise your return shipment will be sent via U.P.S., C.O.D. Please note that in all cases, you must include your original serialed program diskette as proof of purchase. (However, we normally replace it with a fresh diskette.)

IMPORTANT NOTE:

Many program errors are the result of a defective disk drive, and not program "bugs" or "glitches." Whenever you experience software trouble, you should compare the results of the various commercial software packages you may own. If you consistently find trouble, consult your computer dealer.
