

# *We Capture the World's Finest Entertainment!*

## *It's Dinner Time at 50 Fathoms and You're the Main Course!*

The Esmeralda's gold is just inches away. It might as well be a mile. You need help, but only the slimy jellyfish have any friends on this algae-covered wreck.

A poisonous stringray races straight at you... a hammerhead darts in from the left. Your air supply is running low and you can't find the key to the door that blocks the exit. It looks like you're between a fish and a wet place...

### *Thrills, Chills and a Watery Grave!*

- Run, jump and float through 100 multi-level rooms to find the Esmeralda's treasure of gold.
- Dodge crabs, elude eels, sidestep sea urchins, avoid octopi – they won't give up the gold without one heck of a battle!
- Solve unusual puzzles and figure out clever traps – the right strategy will make you rich!
- Capture friendly fish, pick up lost keys, search for tanks of air – be careful or the last words you hear will be "Glub, Glub."

## Sabotage, Speculation & Strategy

Join the international power brokers and guide your company in a global search for "Black Gold," the world's most treasured resource. Millions of dollars ride on each of your split-second decisions in this intense simulation of life at the top of the oil industry. Buy and sell oil fields, study expert surveys, track the competition and drill for oil in this frenzied race to build a dynamic company and bury the competition.

### Challenge the Computer or your Friends!

- ◆ Sabotage a rival or hire a detective to protect your own assets.
- ◆ Select a quick game for an evening's entertainment or a long-term battle for a month-long competition.
- ◆ Drill for oil, extinguish fires and build pipelines in thrilling action sequences.
- ◆ Manage your holdings, finances and contracts using computer terminals, telex messages, and phone communications.
- ◆ Buy offshore concessions in North America and drill for crude in Indonesia as you explore six different regions of the world.
- ◆ Select a company name and logo, choose your own office then play three computer opponents or compete with three friends.

## DarkSpyre

You've already prepared a final spell of healing, and now draw a finely crafted scimitar, its razor edge gleaming in the torchlight. Driven by rage, you raise a buckler of wood and leather and prepare to challenge DarkSpyre tower...

- Real-time, FRP. You never leave the main screen to select weapons, cast spells or fight.
- More than 50 unique levels depending upon your combat, magic and strategic skills.
- A realistic combat system where weapons break, armor wears and characters tire.
- More than 40 creatures including demons, the undead, deformed monsters and more.
- An in-depth magic system that delivers Sorcery, Wizardry, Healing, Conjunction and Enchantment — with graphic animation.

## SPHERICAL

### Puzzles and Pitfalls at Warp Speed

- Each screen is a race against time. Solve the puzzle before the ball starts rolling or it might be too late!
- Pick up valuables, magic potions and scrolls to rack up points and help you finish your task.
- Tackle the obstacles alone or team up with a friend for twice the action. 100 levels for one player; 100 new levels in two-player mode.
- Battle incredible spiders, enormous dragons and more. Each levels has its own creatures to try and halt your progress.
- Collect magic or time-stop potions, increase your jumping power, reverse gravity — whatever it takes to get the job done and complete your quest.

# It's match point in the finals...

...and you're losing. You're down forty-love and must break the Australian's serve to survive. He blasts a drive to your forehand and you return with a looping topspin passing shot. You rush the net, but your opponent sends a lob soaring toward the far corner. Backpeddling like a demon to cut off the shot, you explode with an overhead smash for the point. Only four more to go...

## The Supreme Tennis Challenge

- Hit top spin shots, lobs, deep volleys, overhead smashes and drop shots to any part of the court in real time!
- Split-screen view for authentic one- or two-player action on grass, clay, hard court or indoors!
- Play 32 seeded computer opponents, create your own challenger or compete with friends.
- Doubles or singles play with practice modes for every shot, selectable game speed options and variable player skill levels.
- International championship tournaments where you pick the country you'll represent, the opponents you'll meet and the skills you'll take to the court.
