YOU'RE OBVIOUSLY a fan of Elvira, so its only fair to let you know that the Mistress Of The Dark has also made her very own feature length film called 'Elvira – Mistress Of The Dark'. This is now available to buy on video from any good high street retailer, such as WH Smiths, Woolworths, HMV etc; priced at just £9.99 and with a '15' certificate.

See Elvira in the flesh when our notorious heroine descends upon the quiet and conservative hometown of her dead great Aunt Maud, to collect her rather dubious inheritance – a dilapidated house, a poodle and a book of spells.
