THE FOREST OF DOOM

A thrilling Fighting Fantasy adventure game

COMMODORE 64
NOVA LOAD

Only the foolhardy would risk an encounter with the unknown perils that lurk in the murky depths of Darkwood Forest. Yet there is no alternative, for YOUR quest is a desperate race against time to save the village of Stonebridge from its ancient doom.

You are armed only with a sword, and have a backpack containing enough food for nine meals. You will begin your adventure by giving your character a name and determining your Skill, Stamina and Luck scores, which will be needed in combat.
