AN ADVENTURE WITH GRAPHICS FOR THE BBC MICRO/DISK

THE HUNT

Search for Shauna

You are standing in the cockpit of your spacefighter. You can see the vast space station through the main screen beside the exit hatchway. You can go east or west.

Might be handy
The hatchway opens and you are sucked out into space. The guru starts and carries you to the nearest air pocket.
You are beside a spaceship on one of many vast platforms in space, all visited by one large crocid, saying 'FOR HIRE. BUT FACE FOR ALL TODAY'. You can go in.

1 HIRE DROID
you say "DROID"

2 HIRE TAXI

A taxi takes you to customs another space platform in front of a large archway that leads into the space station. You can go west.

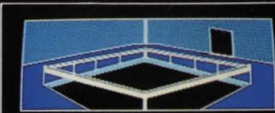

hatchway. You can go east or west.
35secs to space exposure

1 W
You are in a dark and somewhat messy escape pod at the rear of the ship. You can see a scrap of material. You can go east.
49secs to space exposure

beside a large arch to the east. You can go east or west.

1 W
You are in the arrivals area with many old chairs around a closed bar, and a small, dark hallway. You can see a cute little lugobot. You can go east, northwest, southwest or up.

1 W
You are on a gallery that stretches around a maze of small white passages far below. There are little rails running along the ground. You can see a raised servobot. You can go south or west.
The servobot rolls off to the south
