

Labyrinth of Fear

ALGRAY software

Deep in the forest of Kraaw lies the Labyrinth of Jarwon where, in the time before time began, those that came before kept the five secrets that can unlock the chains that bind man.

Your task is to enter and recover the five blue boxes, other boxes contain gold or . . ! . . Gold is useful to bribe guards or the elementals that inhabit there, elementals will bargain, so make them an offer.

Movement is via the arrow keys, if you meet a guard you may either pay for passage by pressing 'P' or fight by pressing 'F'. Boxes are opened by pressing 'O'. In the fighting mode — space bar will swing your sword.

LABYRINTH OF FEAR

You are about to return to the dawn of time when chaos and law battled for the souls of the infant human race, when all that stood between Man and slavery were a few heroes.
