LOST TOMB OF ANANKA

SPECTRUM 48K

LOST TOMB OF ANANKA

Designed and Written by Jon Lemmon

This adventure game understands all the standard adventure commands i.e. N, S, E, W, U, D. Some useful verbs are EXAMINE, LOOK, GET, DROP, GIVE, UNLOCK and many more. Other important commands are INVENTORY or (I) will give you a list of what you are carrying, SAVE will save the game position to tape and LOAD will restore a previously saved position from tape. RAMSAVE will save the game position to memory and RAMLOAD will restore a previously saved position from memory
