# ON THE RUN

C10116

- **Yukon** — Lost in the desolate area of the Canadian wilderness, you are flying a ski-equipped Piper Cub looking for a place to land. You sight an open clearing and discarded high powered rifle . . . The adventure begins as you issue the computer word commands to uncover the secret it holds!
- **Stalag 23** — Its 1942 and your aircraft is shot down over Nazi, Germany and captured by the cruel Gestapo. Solitary confinement and constant interrogations make you crazy to escape! You must escape! Utilize the computer to plot your escape using two word commands.
- **On The Run** — You have broken out of the escape-proof prison camp into a thick forest. The light has faded and you've lost your map and compass. You are alone and on the run . . . issue word commands to the computer to continue this fast paced race for your life!
- **Shifting Sands** — The small stone tablet seemed very insignificant until you picked it up, then suddenly a gray fog enveloped you. You woke to find yourself in a desert with only the one small tablet . . . Solve the mystery of the tablet by using the clues provided by the computer!
