PLUG INTO THE PRODIGY® SERVICE AND CONNECT TO MORE PEOPLE, MORE PLACES AND MORE FUN.

If you just use your computer for spreadsheets, word processing or games, you're not getting the most out of it. With this offer, you can get **FREE** PRODIGY® software to connect your computer (via a modem and a regular phone line) to the home computer network that can help you be more productive and have more fun.

Help your kids with tonight's homework.

From sports fans to movie buffs to computer lovers, the service has something for everyone.

With the PRODIGY service,

you can take an active part in your child's education. An

online 33,000-article encyclopedia that's updated quarterly puts the latest facts at their fingertips. Features from WGBH's NOVA teach kids about science, and *National Geographic* lets them

explore the natural world. And it doesn't stop there—because with games like the geographical whodunit "Where in the World is Carmen Sandiego?," kids can learn while they're having fun.

Stay in touch. The service keeps you in touch with friends, family and the world. Communicate through your own electronic mailbox*, visit one of our hundreds of special interest Bulletin Boards, get continually updated news and AccuWeather® forecasts from around the world and read columns by experts on everything from travel to wine.

Keep the whole family entertained. The PRODIGY service gives you sport scores while games are in progress, plus the latest stats

*25¢ fee for each personal message; fee waived for first 30 messages sent each month of membership.

and standings. A 13,000-title Movie Guide can help you pick just the right film to rent, and online news and reviews keep you up-to-date on the worlds of books, music and TV.

Get more for your money and more from your time. You can save time using your home computer to pay bills from your existing checking account, get news on business and the economy, even follow the stock markets throughout the day.

Make your computer work harder. Get valuable advice directly from computer experts and

manufacturers. Consult an online software guide and PC Catalog to help you make the right buying decisions. You can play

challenging online games that entertain for hours, enjoy articles from *Computer Gaming World* that give you strategy guides, reviews and inside info, read the latest computer industry news—even buy equipment and software online at a discount.

Start getting more from your computer—and from life. Connect to the easy-to-use, hard to live without PRODIGY service.

With all this and more, the PRODIGY service is a great value! **Try it for yourself.**

FREE PRODIGY software and our unique Satisfaction Guarantee are a great way for you and up to 5 other members of your household to experience the PRODIGY service firsthand. Make the connection today—you'll never look at your computer the same way again.
