

Join the RPGA™ Network

A Special Offer for
Data East USA
Computer Gamers

The RPGA™ Network is an international organization of gaming enthusiasts dedicated to excellence in role-playing games. For about the price of one game, you can enjoy all of the following:

- An attractive RPGA Network pin.
- A Membership Certificate suitable for framing.
- A subscription to POLYHEDRON™ Newszine, a bi-monthly award-winning 32-page news-magazine.
- A membership card with your player and judge rankings.
- A discount on computer games from DATA EAST and a 10% discount on all your gaming needs from THE MAIL ORDER HOBBY SHOP Catalog (orders may be placed online through the COMPUSERVE System).
- The opportunity to attend—and even run—official RPGA Network tournaments at local conventions.
- Information about how you can participate in RAVENS BLUFF™, The Living City, a Network project.
- Access to an exclusive subsystem on the GENIE® System. The subsystem features a bulletin board, on-line “round table” discussions with game designers and editors; and new features are being added all the time. (Members are responsible for their own GENIE subscriptions and subsystem fees.)

Membership Application On Reverse

This application allows you to take advantage of the following rates until June 30, 1991, and get 14 months of membership for the price of 12.
