Ruby Runabout

***A Crazy Fun-Packed
Graphic Adventure***

48K SPECTRUM

RUBY RUNABOUT by Andrew Reed.
Copyright c 1984 SCORPIO GAMESWORLD LTD.

REGGIE the Ruby Robber has his sights set on the Rocksalmon Ruby, the most priceless gem in the world. You must guide Reggie through many strange locations to find, steal and return with the Rocksalmon Ruby. This will not be easy and if your not quick enough you may find that the Ruby has been moved, and remember don't believe every clue you find...

The program supports most verbs commonly used in adventure games such as:-

North, South, East, West, Take, Drop, Examine, Help, Light, Kill, Open, Inventory, Look, Save, Score, Quit.
