## SERPENT FROM HELL

By Richard Shirley and Paul Johnson

According to the ancient books of the great monks, an evil force shall devour the land, "before you the earth will open, and from within an evil power shall erupt". Now the prophecy has been fulfilled and the land is gradually being wasted. As the last remaining Knight of the Round Table, it is your duty to King and country to escape from your ambushed castle, find the legendary Excalibar and destroy the source of all evil ... Goroth the Serpent from Hell.

**THE GAME:** Serpent from hell is a text with graphics adventure in two parts offering you a full 96K program. If you complete part one a code will be given which will allow you to play part two on the other side of the tape. Movement commands can be abbreviated to N,S,E or W and U (for up) and D (for down). The computer will understand most commands common to this type of game such as TAKE, HELP and EXAMINE.

**TO LOAD:** Type LOAD"" and then press ENTER. To start the game press any key

**HELPFUL WORDS:-**

SAY, HELP, ENTER, EXAMINE, SMASH, PULL, GIVE, THREAD, TIE, HOLD, READ and LISTEN.

**HELPFUL HINTS:-**

Build a swing, use thy power, remember your manners, don't be greedy, think logical, build a pulley.
