SLEEPIN' AGAIN

Written by Peter Clark

You have, yet again, just completed one of your Mega adventures and, after a short well deserved rest, have decided to start another. Remembering that you had inspiration for one of your other games whilst day dreaming, you make your way to a local park and make yourself comfortable on one of the benches. Your eyes slowly close as you drift off to dreamland!

This text adventure game understands all the standard adventure commands i.e. North, East, South, West, Up and Down which can be abbreviated to N, S, E, W, U, D. Some useful verbs are EXAMINE, LOOK, GET, DROP, GIVE, UNLOCK and many more. Other important commands are INVENTORY or (I) will give you a list of what you are carrying , SAVE will save the game position to tape and LOAD will restore a previously saved position from tape. RAMSAVE (RS) will save the game position to memory and RAMLOAD (RL) will restore a position from memory.
